I. MEMBER CODE OF CONDUCT

The Rules and Regulations govern the operation of The Club at 3 Creek (the “Club”) and are agreed to by all members when they join the Club. The Code of Conduct is an integral part of the Rules and Regulations and establishes guiding principles for compliance with these provisions. The Code of Conduct is also critical in setting expectations for acceptable behavior to ensure the peaceful enjoyment of the Club by all, to protect the welfare of our employees and to achieve our vision of being one of the finest private golf clubs.

The Code of Conduct embraces a set of core and shared values focusing on our members, our people and our Club. At the core of our values are integrity, teamwork, mutual respect, civil behavior, courtesy and personal responsibility. Through a common set of shared values we will enhance our commitment to excellence, provide the best possible membership experience, ensure that we continue to attract and retain high performing employees, protect the reputation of the Club and create a financially sustainable future for the Club. Our values embody:

<i>Our Core Value</i>	<i>Our Employees</i>	<i>Our Club</i>
<p>High-quality experience - Anticipating the needs of our members and guests and exceeding their expectations.</p> <p>Warm and welcoming community - Providing an environment which encourages enduring friendships.</p> <p>Fiscal responsibility - A management and operational framework that enables financially responsible decision-making and physical asset preservation.</p> <p>Quality membership integrity - Outstanding individuals who demonstrate personal integrity and ensure the overall interest of the Club.</p> <p>Open communication and transparency - Openly communicating and informing all members and employees</p>	<p>Our people are one of our most important assets.</p> <p>Our employees and our members treat each other with courtesy, dignity, and respect.</p> <p>We emphasize teamwork to produce the best results.</p> <p>We value our employees’ knowledge, enthusiasm, and spirit to serve our members.</p> <p>We listen, understand, and help them succeed.</p>	<p>We manage our business with a spirit of ownership and entrepreneurship.</p> <p>We stimulate creativity and embrace change.</p> <p>The reputation of our Club is among our most prized assets.</p> <p>Our values and success make The Club at 3 Creek a great place to enjoy and play.</p>

Embracing and abiding by these principles and shared values fosters harmony among the members and creates pride in the membership, thereby contributing to a positive market reputation of a highly regarded club to join. Member behavior that is inconsistent with these values or results in non-compliance with the Club’s Rules and Regulations can impair other members’ peaceful enjoyment of the Club, have an adverse impact on our employees and damage the reputation and health of the Club. The Club Bylaws provide a process for fairly evaluating and promptly addressing inappropriate behavior. Compliance with these Rules and Regulations while embracing our shared values will enable our members to enjoy the many amenities of the Club and comradery with fellow members.

ENFORCEMENT OF RULES AND REGULATIONS/COMPLIANCE

Members, their Families, and their Guests shall abide by all Rules and Regulations of the Club as they may be amended from time to time. Violation of any of these rules or conduct in a manner prejudicial to the best interests of the Club will subject the person in violation to disciplinary action by the Club in accordance with the Bylaws, including but not limited to suspension or expulsion from the Club.

While on the golf course, if receptacle is not available, the remains must be placed inside the golf cart to be removed at the conclusion of play. Cigars are not permitted to be placed directly on the grass surface of the golf course.

When smoking in approved areas please be considerate to fellow Members.

CLUB CELL PHONE POLICY

In an effort to promote a relaxed social atmosphere and discourage business interruptions, cell phone *conversations* shall only be allowed in designated areas.

Cell phone calls may be made in the following designated areas:

1. Either of the Phone rooms in the Clubhouse

The Club is sympathetic to emergency situations and may allow, with special approval from the Club, Members and Guests limited use of cell phones during such cases. This special privilege shall be granted on a case by case basis and courtesy and consideration must be given to fellow Members and their Guests. When permission is granted, all communication devices must still be placed in the etiquette mode. Emergency walkie-talkies have been added to every golf cart to allow communication with the Golf Shop. Please alert the Golf Shop to expected emergency calls.

Enforcement of the cell phone policy is mandatory by all The Club department heads. Members, who are in violation of the rule, will tactfully be pulled aside and reminded of the policy and a letter from the House Committee will be sent to them addressing the violation of the rule by them or their Guest. It is a Member's responsibility to understand and advise their Guests of this policy. Members are always responsible for their Guest's actions.

When a fellow member or employee brings to your attention that your phone is ringing or that you are on your phone, at that time the member violating policy will be billed to his or her account a round of drinks for everyone in the bar or charged a \$250 fine to be placed in the Employee Holiday Fund, whichever is more.

MEMBER DUES AND CHARGES

1. Members' dues will be billed annually in advance unless otherwise determined by the Board. Errors in billing charges should be directed to the attention of the Accounting Department.

2. A Member is entitled to charge privileges at the Club so long as his or her Membership is in good standing. Cash payments are permitted when purchasing merchandise in the golf shop.
3. All food, beverage, merchandise, and services of the Club charged to the Member's Club account will be billed monthly and each Member's Club account shall be due and payable upon receipt of the monthly statement.
4. The Club does require Clubhouse minimums, which the Club may charge to the Member's Club account if the Member does not fulfill the minimum requirement during each period. Specific fees related to the Club's minimums may be found on the "dues and fees" list which is revised each year and distributed to the membership.
5. Club accounts shall be deemed delinquent from the date first billed if payment is not received within 30 days after the date of the monthly statement. Past due bills will be subject to a one and one-half percent (1.5%) late payment charge per month, but not to exceed the maximum amount permitted by law. The late payment charge shall accrue 30 days from the date of the monthly statement until the account is paid in full.
6. If a Member fails to pay any Club account within 30 days of when it is first billed, the Board shall have the right to suspend Membership privileges in the Club at any time until the delinquent account is paid in full. Continued delinquency for a period of 90 days from the date a Club account is first billed or repeated incidents of delinquency by a Member may result in termination or suspension of Membership in and/or expulsion from the Club.
7. If the Club account of any Member is delinquent, the Board may at its option take whatever action it deems necessary to effect collection, including without limitation, suspension or termination of a Membership or legal action. If the Club commences any legal action to collect any amount owed by any Member or to enforce any other liability of any Member to the Club, and if judgment is obtained by the Club, the Member shall also be liable for all costs and expenses of such legal action and reasonable attorneys' fees, including any fees required in connection with appellate proceedings. Members having past due bills may also be charged a reinstatement fee at the discretion of the Board to reactivate an account.

2. For the convenience of all Members, an annual House charge, as determined from time to time by the Board, will be charged to the Members account. This fee is necessary in order for the Club to continue the “no tipping” policy and to retain the most experienced and qualified professionals to service Members and Guests.
3. It is customary for the Club to send a letter, in November of each calendar year, to announce an opportunity for Members to contribute to a Holiday Fund for all returning Club employees. The purpose of the Holiday Fund is for Members to show their appreciation to Club employees for the service they have provided over the season. Club Management will use an industry model that considers rate of pay, hours worked, and service provided to determine the distribution of these funds.

Each Member shall be responsible for filing with the Membership Office, in writing, preferably on a form provided by the Club, his or her primary mailing address, primary e-mail address and primary telephone number and any changes thereto, where the Member wishes all notices and invoices of the Club to be sent.
